QUESTIONNAIRE

Dear Colleague,

In order to further improve the organization of scientific activities and the service to scientists, we should very much appreciate your frank, concrete comments and suggestions. Please complete, sign and return this form to the school secretary or the person in charge of arranging your visit. These comments will be summarized and appropriate suggestions will be implemented compatibly with the available facilities and in accordance with the rules of our Headquarters. To simplify our task give also in each point a qualification from 1 (very negative opinion) to 5 (excellent opinion) when indicated by brackets. Please note, however, that comments will not be taken into consideration unless the form is signed.

The ICTP Directorate

1. Planning of the activity, including choice of topic, programme and selection of lecturers. []
2. Running of the activity, including the lecture and participants case studies arrangements, quality of lectures, secretarial help. []
3. Quality and availability of lecture notes and printed documentation. []
4. Which lecture topic do you consider the most satisfactory. Mention only one.

5. Laboratory work:
 - 5.1 Choice of activities and actual implementation of work []. Antenna building [], RF measurements [], WLAN setup [], field activities []
 - 5.2 Laboratory Infrastructure: the room [], the computer equipment [], the RF equipment [], the wireless devices [], the mechanical tools [], the videoprojector-videocamera facilities []
 - 5.3 Laboratory Timetable: beginning and ending hours [], breaks [], length of the activities []
 - 5.4 Laboratory Documentation: Radio Laboratory Handbook[], School Website [], Laboratory Library []

6. Provision of the Linux “live” CDROM before the activity [], provision of a copy of the School website with lecture notes at the end of the activity []
7. Services of various ICTP administration offices including Travel, Finance, Housing, Passport & Visa Information, Federation/Associates, etc. []
8. General ICTP Scientific services: library [] and computing facilities []
9. Services in the Guest Houses and cafeterias including reception [], room service [], food []. (External firms are in charge of all these, but reasonable requests can be put forward through the administration.)
10. Please give your opinion about the possibility of carrying out a similar school in 2005. If in favour, give your suggestion about length of the school, its topics and structure. Rank N if you consider that the school should not be repeated and Y if you consider worthwhile to repeat it. []

11. Other suggestions and comments
